

BUDO SOUTH

TAEKWONDO AT SELWYN RIDGE SCHOOL (WELCOME BAY)

FIRST TWO WEEKS

As you are new to our club, the first two weeks of training are free. Training in martial arts is personal. Therefore, you must be happy with your Instructor, the surroundings, your class mates, and finally with yourself. We allow you to settle in before you need to make a commitment.

New members (including those from other clubs) and visitors (from other martial arts) are always welcome to train with us, although after 2 weeks, you will be asked to join the club to continue training.

Fees are for 1 year - 12 months (inclusive of January and December)

TAEKWONDO @ ANY TIME

- One student - \$80 per month
- Two or more students from the same family - \$160 per month

As Budo South Martial Arts is a club, any of our club members can train at any of our venues.

Students can train in multiple classes, as long as they respect the nature of the class. For example, being a member of Budo South means you can train in Selwyn Ridge weekdays, and attend the competition sparring class on Sundays, but the sparring class will be harder and a higher intensity,

PHILOSOPHY OF OUR CLUB

A club can open its doors to students, but it is YOU, the student, who must take the initiative and step inside – thus beginning your journey.

BU-DO (the Martial Art Way) is a pathway in life that:

- some people walk for a short time,
- others stay to see what is around the next bend,
- a few choose this path to forge a deep understanding of themselves and the world around them.

TRAINING FEES

Taekwondo has training fees, National Body fees, Uniform fees and Grading fees.

The training fees are based on 12 monthly payments.

Our policy regarding fees is: The price when you start is the price you will pay until you stop paying. If you stop and restart, you must start paying again at the new rate.
